Membership

HURRAH!! We will be celebrating our **100th. Anniversary of our Faribault A.A.U.W. Branch** at our December 16, 2024 meeting! Like the commercial says, "We've come a Long Way"! But we still have a lot of work to do to accomplish our A.A.U.W. MISSION - to advance gender equity for women and girls through research. education and advocacy.

Are you trying to find that perfect gift for a family member or friend? Remember that a "gift of a membership" can introduce someone to our active A.A.U.W. The Faribault Branch group of ladies is a wonderful way to start the New Year! No knick-knacks (that we don't need anymore) -haha- or other gifts that fill our homes- they really don't have the impact that our A.A.U.W. worthwhile camaraderie and all our community projects provide! We have accomplished a lot together: many scholarships, events and projects that have supported our Faribault girls and women for 100 years.

For only \$55 for a first time AAUW member is a bargain!

Two carloads of book club members headed to Owatonna to have a tour of the new Owatonna High School on November 21st hosted by Shelly. We were all awe struck by the grandeur of the building.

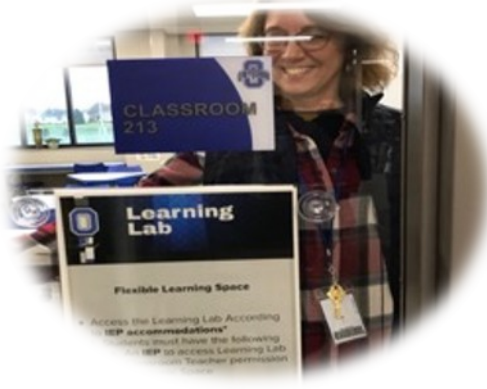

We then headed to Shelly's home for our discussion of Remarkably Bright Creatures by Shelby Van Pelt. The book was enjoyed by all of us.

December will be our annual Christmas book club potluck lunch at the Real Life community room on Thursday, December 19. Our book is 'Tis the Season! by Lorna Landvik.

Looking Ahead

- The Spring Annual State Meeting will be in Austin April 25-26th with a Silent Auction for AAUW Funds.
- Pat Rice would like our branch to consider donating to Dolly Parton's Imagination Library. Please read through this information so we can be ready to vote on this at the January meeting.

A little background from the Imagination Library Website:

In 1995, Dolly Parton launched an exciting new effort, Dolly Parton's Imagination Library, to benefit the children of her home county in East Tennessee, USA. Dolly's vision was to foster a love of reading among her county's preschool children and their families. The new program gave each child a specially selected book each month. By mailing high quality, age appropriate books directly to their homes, Dolly wanted children to be excited about books and to feel the magic that books can create. Moreover, she could ensure that every child would have books, regardless of their family's income.

Since its launch, Dolly Parton's Imagination Library has set and surpassed many goals and milestones. National replication, which started in 2000, allowed more and more communities to adopt the program.

The first book order in 1995 totaled just over 1,700. Today, Dolly Parton's Imagination Library sends more than one million books per month to children around the world inspiring them to Dream More, Learn More, Care More and Be More.

A Free Book Every Month

Children who are read to during the first years of life are much more likely to learn to read on schedule -- and there are many other benefits, too.

Dolly Parton's Imagination Library helps families develop children's early literacy skills by providing free, high-quality books to children from shortly after birth until their fifth birthday. A new, age-appropriate book arrives each month, addressed to the child. As children become old enough to understand, they are thrilled to get their monthly book in the mail.

By providing age-appropriate books each month, Imagination Library:

- Increases young children's access to books
- Provides a print-rich environment in the home
- Fosters parents and children reading together
- Drives language and pre-literacy skills
- Introduces shapes, colors, letters, numbers, and concepts
- Encourages a love of reading

Support Imagination Library

Imagination Library is free to children, but only when caring adults donate. For \$30 a child, you can sponsor a year of books! For \$150 you can sponsor a child for all 5 years prior to kindergarten!

Dolly Parton's Imagination Library makes it cost effective to sponsor a child, charging just \$2.10 a month per child plus the cost of brochures.

Your gift has a permanent impact on children and meets an important community need. We are proud to reach as many kids as possible by collaborating with organizations including local school districts, hospitals and clinics, ECCE, the Northfield Area Family YMCA, and Rice County Public Health. If you would like a supply of Imagination Library brochures to share with your clients or customers who have an eligible child, please let us know.

Special Thanks to Literacy Champions!

We would especially like to thank grantors who have made Imagination Library possible for children in Rice County:

Secretary's Report

NOVEMBER MINUTES

The Faribault Branch of AAUW held a business meeting November 25, 2024, following the Circus Theme 100th birthday party for May Bottke. It was co-sponsored by AAUW and Delta Kappa Gamma because May is a long-time member of both. Local juggler, Tuney (Steven Wilson), provided the entertainment. The party was held at 2 p.m. at Pleasantview Estates where May lives.

Branch President Mary Niermann could not make the party or meeting because she was ill.

Program V.P./Secretary Pauline Schreiber conducted the meeting. She asked if there were any corrections or additions to either the Secretary's or Treasurer's reports printed in the branch's emailed newsletter. Hearing none, she announced both approved as printed.

AAUW Funds V.P. Liz Hartman asked members which funds they wanted the Branch contribution to go to. There are a number of options this year. In the end, it was decided to designate the \$1,500 donation from the Branch to go to the Greatest Needs Fund. Pat Rice made the motion to do so; JoEllen Schultz seconded the motion. The motion carried.

Treasurer Karen Rasmussen gave a final report on the Halloween Breakfast Fundraiser. After expenses, the Branch netted \$3,371.72. Members thanked her and Kathy Larson; the co-chairs of the event, for their hard efforts and attention to details that helped make it a great success.

IMAGINATION LIBRARY

Members Pat Rice and Bailey Grubish suggested Faribault AAUW give a donation to Dolly Parton's Imagination Library that provides a book a month to youngsters to inspire them to read. Schreiber suggested that a description of the program be in the December newsletter and members vote on the idea, and amount of donation, at the next business meeting. Members agree to that.

Schreiber passed around a signup sheet for the Monday, Dec. 16 Holiday Party and 100th Anniversary Celebration of the Branch to members. It will be 1 p.m. at the Cathedral of Our Merciful Saviors and the Women of the Cathedral will be providing the meal. The cost is \$15. A Committee of Pauline Schreiber, Liz Hartman, Pat Rice, Kathy Larson and Pat Umbreit are preparing a program to celebration the Branch's 100th Anniversary.
